## **Vive Crop Protection Ranked #196 on Financial Times 2023 List of Americas' Fastest Growing Companies**

**TORONTO, Ontario (March 28, 2023)** – Vive Crop Protection has ranked no. 196 on the Financial Times 2023 list of Americas' Fastest Growing Companies. This prestigious award is presented by Financial Times and Statista Inc., the world-leading statistics portal and industry ranking provider.

"We are thrilled to be recognized as one of Americas' Fastest Growing Companies by Financial Times," says Darren Anderson, CEO of Vive Crop Protection. "Our growth highlights the success our Precision Chemistry™ synthetic and biological solutions are having in the field."

The Americas' Fastest Growing Companies 2023 ranking lists the top 500 companies in the Americas that have achieved the highest compound annual growth in revenues between 2018 and 2021. The data was collected via desk research in official sources like publicly available earning presentations, investor relations, websites, and annual reports. Across 20 countries, over 7,000 public companies were examined.

Based on the results of the study, Vive is ecstatic to be recognized at #196 on the Financial Times list of Americas' Fastest Growing Companies for 2023. This is the second year in a row Vive has ranked on this list.

The awards list was announced on March 28th, 2023, and can currently be viewed on the [Financial Times website](#).
